## When We Are Closed

If you need **urgent medical advice** outside normal Surgery hours please **call 111**.

The NHS 111 service is staffed by a team of fully trained advisers, supported by experienced nurses. They will ask you questions to assess your symptoms, then give you the healthcare advice you need or direct you straightaway to the local service that can help you best.

In a genuine **emergency** you should **call 999**. (Chest pains and/or shortness of breath constitutes an emergency).

## Evening and Weekends

We provide access to appointments on evenings and weekends, working with other local practices, which can be booked via our reception team and cancelled during opening hours.

Outside of our opening hours, you can call our telephone lines and you will be diverted to the surgery providing the enhanced service.

- Monday - Friday 6:30pm to 8:30pm
- Saturday 9am to 5pm
- Sunday 9am to 12pm

To read more about the practices who participate in collaborative working, head to our website:

<https://northprestonmedicalpractice.nhs.uk/appointments> or contact us to learn more.

## Home Visits

Home Visits are available for patients who are genuinely housebound or too ill to attend the surgery. Please call before 10am if possible to request a visit.

## Consultations

Consultations are available:

- In person at the practice
- By telephone
- By video consultation

Appointments can be booked by using our online triage form:

<https://accurx.nhs.uk/patient-initiated/p81103> or If you don't have internet access, please contact our reception team by telephone.

## Complaints and Feedback

We welcome feedback to help improve our service.

Most complaints can be resolved at a local level. Please speak to a member of staff if you have a complaint; our staff are trained to handle complaints.

Alternatively, ask to speak to the **complaints manager**.

A complaint can be made verbally or in writing.

There are a number of ways you can make a complaint.

- A complaints form (available at reception)
- An [online complaints form](#) (available through our website)
- Writing a letter
- Emailing us ([ingol.broadway@nhs.net](mailto:ingol.broadway@nhs.net))

## Did Not Attend Policy

Our practice enforces a strict policy regarding patients who do not attend scheduled appointments.

To help reduce missed appointments, we provide multiple, convenient cancellation options, including replying to text reminders, submitting an online request, cancelling via the app, or contacting the practice by telephone.

We also issue appointment reminders, read back appointment details, and highlight this policy in this welcome leaflet.

If a new patient fails to attend their New Patient Check, the practice may decrease the number of medications issued at one time or ask the patient to register elsewhere.

If a patient fails to attend 4 appointments within an 18-month period, the patient will be removed from the practice list and asked to register with a new GP practice.
